#### SUITLAND ISLAND - A NEW ONE?

Suitland Island, in the North Pacific (43N, 155W), is the site of the "Port Cochran Project," a highly classified military facility. On September 15, new U.S. budget cuts dictated transfer of control from the Pentagon to the Department of the Interior, the return of the army's 267th Chemical Company to their base on Johnston Island, and the reassignment of all other personnel to Oahu in the Hawaiian Islands.

Several hams from the Johnston Island club station (KJ6DO) expected to be part of the transition team at Suitland, and they received permission to operate, probably signing KJ6DO/KH7S. The plan was to operate Sep 18-21 and possibly again in October. Preliminary investigation indicates that Suitland will not meet criteria for a DXCC entity, as the "separate administration" clause in the criteria is no longer used. Suitland will probably count as either Kure or Hawaii.

If you work the station, send QSLs to Amateur Radio Club KJ6DO, 267th Chemical Company, Johnston Atoll, PSC Box 387, APO SF 96305. DO NOT send SASE or other enclosures, as all cards will be answered through appropriate bureaus.

HEARD ISLAND UPDATE. Jim Smith, VK9NS, says on his way back from E. Malaysia recently he stopped in Australia and signed a contract for his boat to Heard Island. He plans to get there on Heard around the first week of January on the Cheynes II. Smith says any interested operators should contact him if they want to join the crew...\$3000 each not including transportation to Australia.

We already reported that VK6NE will operate VK9YE Cocos-Keeling Oct 20-Nov 3. Neil says he'll also be on Christmas Island Nov 3-7, then Singapore, Thailand, Hong Kong, China, and Taiwan, but has licenses for none of those yet.

Karl Renz, K4YT, still at 9Q5VT Zaire, will make stops next at 5Z4, 5X5, ET, and perhaps S79, 5R8, and 7P8. Karl is working out of Bangui in the Central African Republic, where neither he nor others presently there

have had any luck getting TL8 licenses. The last American to operate from there was Bill Harrison, TL8WH; Bill is now in Gabon but can't snag a TR8 callsign.

IDXF has announced an operation from Nepal in December, in conjunction with the 38th birthday of King Birendra Bir Bikram Shah Dev. KP2A will sign 9N1A, VU2YOU will sign 9N1YOU, and WB4NFO has been assigned 9N38, to be used for three days during the birthday party. Timeframe is Dec 15-Jan 1.

Tom Gregory, N4NW, newly assigned by the Department of State to Accra Ghana, continues efforts to get licensed. Ghana banned amateur radio at the beginning of 1982 and any 9Gls worked since then have been unauthorized.

Tom hopes to activate 5V7HL for one or both weekends of the CQ WW Contest, and he's been there in Togo to do some work on the 40 and 80 Meter antennas. Ted's (5V7HL) TR4C has been sick, and N4NW will be taking his own radios if he is able to operate. Tom will be able to use his 30Ll linear if he can find some bigger traps for Ted's TH3Jr tribander. Incidentally, N4NW will be in Africa two years, and he is proceeding slowly on licensing in several countries.

CR9M Macao during the All Asia CW Contest a few weeks ago was Michio Ogawa, JAlmin. Here's the rundown on QSLing recent Macao operations: CR9AK to JAlmin; CR9AN to Jose Simon, PO BOX 468; CR9BH (OH2BH) to JAlHGY; CR9BK (JAlBK) to JAlHGY, and CR9M to JAlHGY. Congratulations to JAlmin, who dropped into the FCC's Honolulu office in June and walked out with an Extra class license and NH6X.

FRØFLO's recent Mayotte FHØFLO provided a new one for many on SSB, but requests for CW contacts were ignored...Herik apparently doesn't know the code.

The DX Bulletin (ISSN 0279-8077) is published weekly fifty times per year at the following rates: 48 contiguous states \$26 per year (\$32 per year optional first class mail); Canada, Mexico, Alaska, Hawaii, Puerto Rico, APO, and FPO boxes, \$32 per year; all others \$40 per year (airmail). The DX Bulletin is published at 306 Vernon Avenue, Vernon, CT 06066. Second-class postage paid at Vernon, CT. POSTMASTER: Send address changes to The DX Bulletin, 306 Vernon Avenue, Vernon CT 06066.

LU2CN is busy answering requests for LU3ZY QSLs and many have reported recent receipt. Do not send additional requests...WA2VUY is in touch with LU2CN and will announce when all requests have been taken care of.

QSL HELP: CR6AR (ex) is now ZS6BTN: J. J. Belem, Box 1603, Johannesburg 2000 S.A. Former CR6UE and D2AUE is CT4UE, whose manager is W8CNL. Ex-CR6FW/D2AFW is CT1AFW, manager W8CNL.W5UBW (1518 Lincoln Ave, Alamogordo NM 88310) has 7Q7RM logs 5/21/72 to 2/22/76. When you mail to Zimbabwe, use "Harare" for the capital city instead of Salisbury.

DF9ZP seeks an address for KZ5FL (Floyd, 1979)...and W8UVZ is looking for leads on ET2US, VQ6LQ, ZC5AL, and 5A2TY.

Greek hams used the J4 prefix to commemorate the European Athletic Championship in Athens, Sep 7-11. SVØAA became J4ØAA, etc.

VK3DHT will operate from Lord Howe Sep 30 to Oct 7, signing AX3DHT/LH. Operation to be 80-10 Meters, mostly SSB, QSLs to B. Johnson, PO Box 304, Ringwood 3134 Victoria Australia.

NAIROBI CONFERENCE: To commemorate the Plenipotentiary Conference of the ITU, which will be held in Nairobi Kenya Sep 28 to Nov 5, the Radio Society of Kenya (RSK) will operate a special event station Oct 12-Nov 12, signing 5Y4ITU. Other Kenyan amateurs will be switching to the 5Y4 prefix. The first fifty amateurs to work 5Y4ITU will receive philatelic firstday-covers along with their QSLs.

You can get the Kansas DX Association's Buffalo Award for working 25 Kansas stations (including five KDXA members) after Sep 1, 1980. Send an SAE and 1 IRC for a list of members to KDXA, Box 454, Salina KS 67401.

# DXPO 82

This convention is Oct 16/17 at the Marriot Hotel, Gaithersburg MD, and you can get additional information from Harry Herman, W3UJ, 11803 Enid Drive, Potomac MD 20854. The formal program begins at noon on Saturday, and confirmed speakers include:

N4XX - propagation

N200 - IDXF/Navassa, and Heard Island

W8LRL - 160 Meters

W3AZD - ARRL DXCC, with N4MM, K3KA

K5VT - Africa

WA2BGE - China

N3ED - Curacao (P41C multi-multi)

K4MQG - QSLing

WlYL - early DXpeditions

W4WG - exclusive photos of elusive FB8WG K5VRX - Crete and the Dodecanese W4BPD - Gus Browning

DXCC ANNUAL LISTING: Still time to get your OSLs to Newington by the Sep 30 deadline, and get your best total recorded in the Annual OST "big list." If your total is already 250 or more, you are allowed (once per year) to submit any number of new QSLs instead of having to stick to the usual multiples of QSLs (multiples of ten between 250 and 300, multiples of five above 300).

#### NEW ENGLAND DXCC DINNER

This annual event takes place this year Oct 23, beginning at 2 pm at the Concord Lodge of Elks, Route 62, Concord Mass. The cost for the afternoon session is two bucks, and a seven-course dinner at 7:30 pm is \$12.95.

Featured speaker is Dick Baldwin, ARRL Vice President, who will report on his visits to China and on the International Amateur Radio Union's activities worldwide. Orville Burg, K5VWV, will present a program on his recent trip to Russia, where he visited a number of hams, including UF6CX, UM8NAP, and UA3LAR.

The afternoon program will be a general discussion of DXCC and DXing topics, with W3AZD of ARRL headquarters, K1MM, K1MEM, and WlDA. The entire event is open to all interested amateurs...get additional information from Roy Gould, KIGSK, PO BOX DX, Stow MA 01775.

STILL ON THE SUBJECT OF CONVENTIONS, we have had for some time a good report on last July's ARRL National Convention in Cedar Rapids. Congratulations to the Cedar Valley Amateur Radio Club for their excellent organization, handling about 3500 attendees. Wayne Groff, WØRU, made a tutorial presentation on tower construction, and the DXCC forum was hosted by WØSR, W3AZD, and N4MM. K1MM's Cocos Is. show was well-received, as were Bob Hudson, K7LAY's slides of China. Finally, 140 people showed up Saturday morning for the DXers breakfast at (can you believe this?) 7 a.m!

# LETTERS

"I've been wanting to get this off my chest for years! '73' is a CW abbreviation which means 'Best Regards.' It is a good all-purpose way of signing off a CW contact. On voice, saying '73' takes four syllables, while saying 'Best regards' only takes three syllables. Then again, who ever uses 'best regards' in casual conversation, anyway?

"Since '73' means 'Best regards,' then it follows that '73's' must mean Best regardses. And the height of folly is to say 'Best 73,' or, heaven forbid, 'Best 73's,' which would mean 'Best best regardses.' Think about it.

"Incidentally, thank you for not using 'Q' signals in TDXB. 'Q' signals are for CW operating, not for speaking or writing.'

Mest issue: the monthly QSL list, and a run-down of xP1AB 14204 00C 10

Mith a couple hundred bucks of mods in it, which may help.

We don't even have a CW filter, either, but our Bencher XZ-2 makes code work possible.

'101 Zapped Diodes in the power supply the first week we had it, when both 6146 tubes shorted out. The readout never has worked with any regularity. Admittedly, ours is an early model, with no mode. One of the locals mods. One of the locals has a later edition

We don't even have a

planned expeditions first Yaesu we have had for the CQ WW Phone Contest (Oct 30/31).

The 101ZD is the first Yaesu we have had "long-term" experience with, and it has not changed our opinion of the company's products one iota. Maybe the FT-1 will!
